

1 **Theatre Context - Target Fly Tower**

3D NTS

2 **Roof Supports - CHS Levels by Bay**

3D NTS

3 **Existing Roof**

3D NTS

DIMENSIONS IN mm

DRAWING NOTES

1. Raised timber-clad fly tower is the roof in scope.
2. Surrounding theatre is visual context; building heights unmeasured.
3. Lower view omits roof decking and PV arrays to expose supports.
4. Fly-system bars, pulleys and cables are excluded from roof-support members.

VIEW KEY

Brown: timber-clad fly tower

Blue-grey: existing PV arrays

White/grey: roof steel

Roof openings: hatch / skylights

CHS upper left / lower centre
